**STATEMENT OF COMPLIANCE - RoHS**

---

We confirm that the composition of the products supplied by MCPP Netherlands BV and all ingredients used to produce it complies with the RoHS III directive 2015/863/EU. This directive concerns the following substances:

- Cadmium and its compounds
- Hexavalent chromium compounds
- Mercury and its compounds
- Lead and its compounds
- Polybrominated diphenyl ethers (PBDEs)
- Polybrominated biphenyls (PBBs)
- Bis(2-ethylhexyl) phthalate (DEHP)
- Butyl benzyl phthalate (BBP)
- Dibutyl phthalate (DBP)
- Diisobutyl phthalate (DIBP)

As the presence of these substances is not expected above the threshold limits in standard conditions of use, MCPP does not check the presence or absence of such substances in the product to be delivered. These substances can be present as impurities in the raw materials we used.

This statement of Compliance is established on the base of our existing knowledge. It replaces all previous compliance statements relating to the subject. This statement is valid until further revision. This information is valid for the material as it leaves the MCPP production facility and does not include any additives, pigments etc. subsequently used or added by the buyer or a third party.
